A prayer for the world

God of love and hope,
you made the world and care for all creation, but the world feels strange right now.

The news is full of stories about Coronavirus.

Some people are worried that they might get ill. Others are anxious for their family and friends.

Be with them and help them to find peace. We pray for the doctors and nurses and scientists,
and all who are working to discover the right medicines to help those who are ill. Thank you that even in these anxious times, you are with us. Help us to put our trust in you and keep us safe. Amen.

If you are in one of the categories of vulnerable people, whether due to your age, an underlying medical condition or pregnancy, we want to reach out to you and offer support. We will aim to contact you individually over the coming days or you can contact us by calling The Vicarage (number below) or e-mailing support@stlawrencebovingdon.com

If you can offer practical help and support to those who are vulnerable and self-isolating, please get in touch and we will aim to allocate a small number of names to you for you to contact.
