

St LAWRENCE CHURCH & COVID-19

Due to the current health emergency, our church services are suspended. But we will carry on being 'the church' through a rhythm of prayer and through service to others. Full details are available on our website www.stlawrencebovingdon.com or our facebook page.

Our church remains open for private prayer. Please do visit the church and church yard whenever you wish, keeping a safe distance from others as recommended by government guidelines.

God bless you,

**Rev Charles Burch
Vicar**

Serving the Community
