

## Intercessions - Sunday 27<sup>th</sup> September

Heavenly Father we thank you for your promise that you will hear us when we ask in faith: Receive these prayers we offer.

- Heavenly Father we pray for our world and lift up all those affected by war, famine and natural disasters. At this time we especially think of those that are suffering due to the Corona pandemic and pray that you would minister and comfort them. We pray and give thanks to those that are providing aid and help in these situations and ask that You raise up men and women to go and be your hands and feet in these places.

- We pray for your church that your message of hope may go out across this land and many may come to know of your love.

We pray for our Church and for Charles and Gill as they lead us especially after the loss of Simon. We thank you for Simon's ministry among us and pray that we may honour his memory by living out our faith in our daily lives, as he did. We give you thanks for Chris and Alison and for the work that they do with our youth and children. Help us a church family to come together and support them.

- In these uncertain times we pray for a blessing on our local community especially for our homes and families, our primary school and all our local business's, shops and clubs . We pray for those that are isolated and housebound that we may as a church be alert to their needs, and care for them in their vulnerability:

We pray that our neighbourhood may be places of trust and friendship, where all are known and cared for:
