

St Lawrence's got talent!

How to take part:

1. Find an object or picture that represents a talent of yours – something you're good at – and have it ready to show on Zoom
2. Print off this sheet and draw your object, or cut out and stick a picture to show it
3. Leave plenty of space so that you can have a go at drawing the talents of other children during our Zoom service

Some examples of talents might be:

Sport – bring a football or trainers

Cooking – bring something you've cooked, or a picture of food

Music – sing a bit of your favourite song
