## Sunday 4th July 2021 Climate Sunday

Holy God, earth and air and water are your creation, and every living thing belongs to you: have mercy on us as climate change confronts us. Give us the will and the courage to simplify the way we live, to reduce the energy we use, to share the resources you provide, and to bear the cost of change. Forgive our past mistakes and send us your Spirit, with wisdom in present controversies and vision for the future to which you call us in Jesus Christ our Lord. Amen.
