

1. WELCOME & THANKS

Heavenly Father – Lord of Hosts. In your hands are all the corners of the earth. The sea is yours and you made it. With your hands you prepared the dry land and the strength of the hills comes from you. You are the Lord our God and we are the sheep of your pasture. Thank you for bringing us here today so that whilst we are gathered together we may praise you and bring these our supplications to you in the name of your dear son, Jesus Christ, our Saviour.

1. Coronavirus

Dear Lord, we give thanks for our new freedoms. Help us to use them wisely. We pray for your help in combating the virus elsewhere in the world especially where they are struggling to gain access to the vaccines that have so successful in saving us. We know that the deadly disease has not left us and we pray that we may remain careful and vigilant.

Please comfort those who have suffered the loss of family and friends and also those who are suffering the long term effects of the virus. At the same time we thank you for restoring to us all those who have been healed.

People have suffered from the effects of isolation, others have lost their jobs and more may yet do so. Please bring relief to those who are so affected.

Heavenly Father, we pray for your Church here and throughout the world especially for Christians who live under totalitarian regimes or in cultures which are anti-Christian. We pray that you will keep them safe and enable them to show Christ to the people among whom they live.
