

The background of the entire image is a top-down view of coffee-related items on a light grey, textured surface. Scattered throughout are numerous dark brown coffee beans. In the lower-left quadrant, there is a small white coffee cup filled with coffee, a golden coffee filter, and a green coffee leaf. In the lower-right quadrant, there is a wooden scoop filled with coffee grounds, a small metal bowl containing coffee beans and a star-shaped anise seed, and another green coffee leaf. The text is centered in the upper half of the image.
